

DPR HSE POLICY STATEMENT

Dubai Parks
AND RESORTS

Dubai Parks & Resorts is committed to protecting the environment, and the health & safety of our colleagues, visitors and vendors.

We recognize that by integrating sound environmental, health, and safety management practices into all aspects of our business, we can be a premier provider of world class leisure and entertainment attractions, while conserving the environment for future generations.

To achieve this we will:

1. Provide safe and healthy workplaces for our colleagues
2. Protect the environment by preventing pollution and minimizing the environmental impact of our operations
3. Manage and operate our facilities to maximize safety, promote energy efficiency, and protect the environment.
4. Meet or exceed all applicable environmental, health and safety legal requirements, as well as the requirements of ISO 14001 and OHSAS 18001
5. Set challenging targets and measure progress to ensure continuous improvement in HSE performance
6. Maintain HSE competence by providing information, instruction and training so that all colleagues know their responsibilities, and have knowledge and experience to carry them out
7. Ensure that emergency management systems are in place
8. Communicate environmental, health, and safety policies and programs to DPR colleagues and stakeholders.

The above principles form the basis of our environmental, health and safety management system, and the DPR HSE Culture.
